Promotion for Two Steamer Skippers

Captain "Tom" Dowdell will rush the Zealandia back to the Coast just as fast as that old steamer is able to travel, for he must be back there in time to transfer and take charge of the Alameda on her next trip to Honolulu, as Captain Herriman, the popular Alameda skipper of the past, has been appointed to the command of the Sonoma in succession to Captain Van Oterendorp, who has retired after long service with the Oceanic Company.

Arrival of the Zealandia.

The Zealandia got into port yesterday morning and brought about the smallest number of passengers she has ever had, 1,260 tons of general merchandise, and ninety bags of mail. She passed the Pacific Mail liner Korea at 8 o'clock Sunday evening. Her passengers were as follows: M. Kolbe and wife, Master Teddy Forsyth, Miss M. Stankard, H. W. Holling, T. J. Dillon, C. B. White, Mr. Spilare.

British Craft Lost the Race.

When the French bark Brizeux and the British ship Norma left Honolulu on December 3 the captain of the latter declared that he could easily beat the Frenchman to the Coast. He failed to do this, however, as the Frenchman reached San Francisco several days in advance of the Norma, which did not arrive at Astoria until December 28.

Enterprise Making Time.

The oil-burner Enterprise arrived at San Francisco on December 27, after a good round trip to Hilo. She made the down journey in eight days three and one-half hours, and the return journey to San Francisco in seven days and twenty-two hours.

Object to Fuel Oil Refuse.

Waterfronters in San Francisco are objecting to the refuse thrown overboard from vessels burning oil, on the ground that it leaves the harbor in a slimy condition, besmirching mooring lines and small boats.

Transport Sheridan Coming.

The transport Sheridan, Captain Peabody, is expected to arrive here on January 8 from San Francisco on her way to Guam and Manila, carrying many passengers but few troops.

Elog Cyrus at the Sound.

The schooner King Cyrus, on her way from Honolulu to Puget Sound, passed in at Port Townsend on December 27.

Barks Arrived at Sound.

The bark C. D. Bryant and Norwegian bark Excelsior arrived at Port Townsend on December 27.

my Turner Returning

The bark Amy Turner sailed from San Francisco on December 28 for Hilo.

THERAPION. This successful remedy, used in the Continental Hospitals by Rieck, Rieck, Robert, Velpaus, and 100 others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed.

THERAPION NO. 1 indicates the blood-retained and well-merited reputation for derangements of the kidneys, pains in the back, and kindred ailments, affording prompt relief where other well-tried remedies have been powerless.

THERAPION NO. 2 for impurities of the blood, erysipelas, spots, blotches, pains and swelling of joints, gout, rheumatism, and all diseases of long residence in hot, malarial climates.

THERAPION NO. 3 for exhaustion, depression, and all depressing consequences of dissipation, worry, overwork, etc. It possesses surprising power in restoring strength and vigor to those suffering from the enervating influences of long residence in hot, malarial climates.

THERAPION is sold by the principal druggists and chemists throughout the world. Price in England, 2s. 6d. and 4s. 6d. In order to cure, observe that the word "THERAPION" appears on the British Government Stamp (in white letters on a red ground) affixed to every container package by order of His Majesty's Hon.
